

Stay and Cruise Package

Stay at the Berkeley Hotel for 5 nights while exploring Dubrovnik and then spend two nights on board our motor boat and explore the Elaphite islands.

The Elaphite islands are true jewels of the Dubrovnik archipelago. Of the eight Elaphite islands, only three of the islands (Kolocep, Lopud and Sipan) are inhabited. With their well preserved natural beauty and pristine clear waters, there are many small bays to choose to hide away in. The price includes visiting the 3 inhabited islands and sleeping on board motor boat. The two days you have on board are very flexible there is no fixed itinerary so you agree with the skipper where you would like to go. Price is limited to Elaphite islands only. If you would like to visit other islands, this can be arranged at extra charge.

Check in on boat: 10am

Check-out from boat: by 10:00am (+2 days)

The price includes a 5 night stay in hotel, you can break this up if you like so that you have 3 nights in hotel, then 2 nights on board and then 2 nights in hotel.
